Work Experience:

Founder of MGM Educational Trust

In late 1980's Marathwada region was not too much exposed to educational services and competence. With an impulse to ensure Sustainable Human Development which would encourage a self reliant and self content society Mahatma Gandhi Mission was established in 1982 with an energetic ideology of serving the society with the best of educational services and facilities. Since then we had been playing a promising role with great heartening potential and a pioneering vision for imparting qualitative education with a chain of Schools, Engineering, Architecture, Medical, Nursing, Management, Computer Science, IT, Bioinformatics and Biotechnology institutions.

Social Aspects:

“Service to Man is service to God.” Service to society at the grass root level has been the basic vocation of the Trust along with education. The Trust has been instrumental in providing prompt and efficient health care services to the economically weaker sections of the society. MGM, Aurangabad has not only focused on academics but also used its Innovative Technologies for the flourishing in the fields of arts, culture and heritage of India.

Social –

MGM Trust has initiated many Yoga and Wellness Programs to relax, rejuvenate, and improve health & Life-style Management Programs for improving quality of life. **MGM Naturopathy Ayurved & Yoga Center** aims for excellent, result oriented therapies with commitment to enhance health to their patients. They provide superior services, embrace clinical innovations, provide health education by conducting awareness sessions for all strata of society. **MGM Rukminidevi Autism Foundation** is a non-profit Day School and Therapy Center serving children with special needs such as Autism Spectrum Disorders, speech and language impairments.

Greenery –

The lush green and clean MGM campus articulates the concern for the protection and preservation of environment. More than forty thousand trees have been planted outside the city of Aurangabad and barren lands have turned up into green islands by the efforts of MGM Trust. It has been maintaining a green and healthy environment since decades. **Priyadarshani Udyan** was a breakthrough in the journey of MGM. In 1986 the trust took possession of a barren land which spreads over 7.00 hectares and developed it into a green island in the city by planting more than five thousand varieties of saplings which have grown into huge trees today.

Culture, Art & Heritage –

“**MAHAGAMI**” **Mahatma Gandhi Mission Sangeet Academy** defines its existence as a center for promotion, dissemination and training of arts. “**MGM Khadi and Paithani Research Center**” signifies symbol of peace, excellence and self-reliance which aims to promote natural and eco friendly fashion as well as employment to many artisans. **MGM Nucleus** is a pottery and ceramic industry initiated by the Trust where a variety of Pots, lamps, and jars are prepared with decorative designs. Where film making was not so much popular in Maharashtra, **MGM Film Arts** have created a platform for students as well as the film makers to pursue and excel in the industry of film making. MGM has started a **Bidriware Centre** to explore and survive this world-famous artistic metallic work. The Bidriware Art is available in innovative designs and a variety of new patterns. The designs range from Indian to International themes with the latest in home and lifestyle accessories. Innovative designs are developed by the centre.

Sports –

MGM Sports Club provides space and amenities for students and people of the city and promotes them to participate at District, State, National level competitions and is also a gateway to Olympics. **MGM Olympics** are organized every year where students get a platform to perform their sporty talent and excel in sports and games. Various Marathons and Heritage Runs are also conducted for the students as well as people of the city.

Sustainable Activities:

- Mahatma Gandhi Mission has not only progressed with academic excellence but it has been acutely working on eco friendly and environment protection activities through multitudinous projects in the campus and to its surroundings. MGM College of Polytechnic has established a **Paper Recycling Plant** where 6 Kg of scrap papers from entire MGM Colleges and Institutions are collected and recycled per day.
- Eco-friendly Bio-treatment was carried out by **MGM Clean India Centre** at five sites to make them “ODOUR FREE AND FLY FREE.” After treatment, it has created clean and oxy-rich environment and helped in development of biodiversity. Total waste at the five dumping sites was amounting more than 70,000 MT till April 2019.
- Mahatma Gandhi Mission has set up **MGM-CLEAN India Centre** with a view to design & executes environment protection projects for cleaner & greener neighborhood by following the dictum “Think Globally, Act Locally”.
- **Solar Energy Project** by MGM’s Jawaharlal Nehru's Engineering College has developed its own technology by experimenting with the use of solar panels. The colleges and institutions of MGM use most of its electricity from the converted solar energy.
- The scarcity of water has affected many parts of Marathwada region. MGM Trust has taken initiative to save water through its **Waste Water Recycling Plant**. Besides campus, the trust has undertaken many other challenging tasks for environment protection.

Awards & Achievements:

- International Environment Award by World Environment Congress (1997)
- Karmveer Bhaorao Patil Award by Maratha Seva Sang
- Lokmat Marathwada Gaurav Puraskar by Lokmat Group.
